Subject: 2015 Popcorn Sales

I would like to thank the units that have already signed up for Popcorn Sales and encourage the rest of you to get on the bandwagon and sign up ASAP. Popcorn is an easy way to put money into your unit's coffers. Last year Pack 386 sold \$16,499.00 worth of Popcorn. The unit gets approximately 30%. That's almost \$5,000 that Pack 386 can put into their program.

Currently 14 units from ETT have signed up to sell, compared to 23 in 2014. I'm sure it's just an oversight that your unit has not registered to sell Popcorn and this is a gentle reminder.

Please go to www.circleten.org and click on the Popcorn icon and register your unit. It's not too late to sign up for Unit Kernal Training but you need to hurry. The last two trainings are tonight and Saturday at the Bobby Lyle-Billy Gamble Scouting Center.

Our new District Executive joins East Trinity Trails on Monday. Let's welcome Michael Hall with a great registration for this year's Popcorn Sale.

Sincerely,

Robert Phillips
District Chairman
East Trinity Trails Dist.
